

# Difficulty Scoring Rubric

## Pom

### COMPLEXITY OF MOVEMENT RUBRIC

Takes into account the entire piece of choreography, from start to finish, that 80% of the team executes.

Movement = motions choreographed to create visuals, transitions between formations, use of the floor, and footwork.

#### Intermediate

##### 0-1 Points

Stationary, one or two-count movement

Routine stays mostly center

Dancers walk to each formation

Transitions take a full 8 count to occur

Technique & choreography do not blend throughout routine

#### Advanced

##### 1-2 Points

Stationary one-count movement

Routine moves up and down stage but stays center

Dancers walk or run to each formation

Transitions take 4 to 8 counts to occur

Some technique & choreography blend throughout routine

#### Elite

##### 2-4 Points

Stationary one-count movement with added footwork

Routine moves throughout entire floor

Dancers have choreography to each formation

Transitions take 4 counts to occur

Technique & choreography blend throughout routine

#### Super Elite

##### 4-5 points

Shifting/moving movement with footwork & "and-counts"

Routine moves throughout entire floor

Dancers have choreography to each formation

Transitions are seamless, fewer than 4 counts

Technique & choreography seamlessly blend throughout routine

### DRIVERS

Degree of Difficulty

Percentage of level throughout routine (50% super elite + 50% elite) or (100% super elite)

Pace and Speed of Skills

Complexity of transitions, staging, floor work, levels, and formations
