SPECTATOR BEHAVIOR

The National Federation of High School Associations disapproves of any form of taunting which is intended to embarrass, ridicule, or demean under any circumstances. AIA Bylaw 16.3.4 stipulates that student spectators, parents, or other non-school personnel that initiate or use profanity in cheer or cheers having the intent of sounding profane, single out opposing players personally and/or heckle them by directing derogatory or profane statements or chants at them, use racist remarks or direct offensive cheers/ chants at opposing individuals, teams or fans are in violation of the AIA Sportsmanship rule. At all contests including region and state tournament contests, participating school's administrators have the responsibility to control the behavior of their fans, either student or adult. Any spectator conduct that becomes unruly or interferes with the orderly progress of the tournament will result in suspension of the tournament until offending spectator is removed from the site. Artificial noisemakers are prohibited at state playoff venues. If an artificial noisemaker is brought into the game site, it will be taken.
